# giddy dip'ems giveaway

Enter to win a month's supply of giddy dip'ems

Giddy snacks was founded by two Bay Area women on a mission to find healthier snack alternatives for their family with the belief that kids love to play with their food. Thus the idea of snacktivities, an interactive snack that is dipped, peeled, spread or created, was born. Their first snack to hit markets are giddy dip'ems, whole grain biscuits with real fruit dips in four flavors: strawberry, tropical, grape and sour apple. The dip'ems come in snack packs that make it easy to take on the go or pack in school lunches and are free of high fructose corn syrup, preservatives and artificial ingredients. Two lucky *Time Out Chicago Kids* readers will win enough Giddy dip'ems to keep their kids full for a whole month. Check out the [giddy snacks website](#) for more information about the company and locations where you can purchase giddy snacks.
